

Invitation to play some of the best private golf courses in Australia

Club 19 is a group of business people who enjoy playing some of the best private golf courses, every month on courses like NSW, Concord, Monash, Pymble, Elanora, Avondale and The Lakes.

Club 19 was incorporated as an Association in 1993 and promotes friendship and camaraderie in the enjoyment of the game of golf on an amateur, non-profit basis.

Club 19 is the ideal way to entertain corporate clients as members can invite guests.

The club also hosts four golf trips away each year; The Gold Coast in April, Nth Qld in June, and Mornington Peninsula in Nov and an international trip most years in February or March.

Membership is restricted to 175 members.

All members must have an affiliated AGU handicap either through Club 19 or their home club.

Golf days are normally held midweek once a month. The cost of the golf day averages approximately \$180 which includes green fees, a light lunch and three course dinner or occasional barbecue with wine. Prizes are distributed to the winners of the day at dinner.

Joining Fee: \$295

Annual subscription: \$295 (pro-rata) including GST

Members must have knowledge of the game of golf and its rules and regulations.

At your first Club 19 event you will be required to play in a foursome with one of the Committee members. Your application for membership will be considered at the next committee meeting.
